

Mother Mary's School

Ref. No. MM/2024/6826

Dated 16th May 2024

Dear Parents

Greetings of the Day.

You are aware, the School had not increased the Tuition Fee since 2016, while implementing the 7th CPC in 2019 which led to a huge increase in the salary expenditure of the Staff. The School has also been facing a significant deficit every year and it has been extremely difficult to meet the required Salary increments and increasing cost year on year.

The School is therefore increasing the total fee by about 17-21% (about Rs. 700-900 per month) for the Year 2024-25 w.e.f. 01st Apr 2024. This fee hike being done for the Sessions 2023-24 & 2024-25 is less than 10% year over year and no arrears are being charged for the Session 2023-24. This fee continues to remain lowest when compared to other schools providing similar scholastic and co-scholastic education.

Best Wishes.
