Dear All

It is a moment of great pride and joy as we announce the
results of

**DR. A.K. WALIA MEMORIAL
INTER-SCHOOL COMPETITION**

Spardha "In Pursuit of Excellence" 2021-2022

– A tribute in the memory of our Honourable Late Founder

Many schools were a part of this journey and the enthusiasm and energy displayed by the participants was truly remarkable. Their commitment and flair made Spardha a successful venture. We received a multitude of entries for the events which were organised for juniors as well as seniors. The competition was an amalgamation of talent, imagination and creativity which helped to bring out the best in each participant. Great efforts were made to remove any bias by prioritising participation from other schools. The event provided a platform to students to display their amazing skills and talents in the fields of Performing Arts, Language, Mathematical abilities and scientific inquiry and celebrated the strengths and talents of students everywhere.

With the hope to provide more such opportunities to students and to hone their creative skills, we endeavour to come up with more such events in future and seek your enthusiastic participation in the same.

We are grateful for your support and aspire to build an everlasting bond of mutual respect and camaraderie.

Regards
